1. This session stimulated me to think about new concepts or to see old concepts in a new way.

2. The quality of materials presented (e.g. handouts, slides, overheads, etc.) were (or will be) informative and helpful.

3. I now know enough about this topic to engage colleagues in a conversation about it.

4. This session was presented well.

5. I will be able to use what I have learned from this session in my teaching.

What is your overall rating of the session (circle one)?

Excellent Good Fair Poor Very Poor

What was best about this session and its content?

What could be improved/revised?

What suggestions do you have for topics to cover in the future?

How did you register (circle one)?

Phone Email In Person Web-based Registration

How would you rate your experience registering for this session?
